Who Snatched the Books from *The Birthday Book Club*?

Could *The Birthday Book Club Snatching* have been done by Simon, a second grader who retreats into his own imaginary world?

In the first book of the exciting *Melinda & Simon* children's book series, Simon Burke's older sister, Melinda, has misgivings about her younger brother's quirky and odd behavior. But she doesn't think he took the books that are missing, and sets out to prove his innocence! Simon is smart, but he's hopeless in social situations, as he stammers, gets bullied, and then retreats into his own make-believe world. He would rather pretend he's at the 1775 Battle of Bunker Hill than be with his classmates.

Enjoy the mystery of the imaginative *The Birthday Book Club Snatching: The Melinda & Simon Series* and find out whodunit!
