

## FOR IMMEDIATE RELEASE

### Stories and Poems Describe the Fate of Worldwide Refugees

The characters in *Gifts from an Empty Suitcase and Other Short Stories: And Twenty Poems* come from all walks of life, races and age groups. They are Arab, Jewish-American, Hispanic, Israeli, Japanese and Australian.

This fascinating collection of stories and poetry encompasses both East and West, describing how people try to survive in our turbulent times. In a world filled with tragedy and a growing refugee population, there is a surplus of sadness, but there is also joy.

Poems often complement the stories, and the last poem describes New Zealand, where the author now lives. Don't travel on your journey through life without *Gifts from an Empty Suitcase!*
