### **A Tiny Tomato Learns a BIG Lesson: See What Happens When a Bully Gets a Second Chance!**

This invaluable children's book shows what can happen when the biggest tomato in the garden decides to throw his weight around and bully the smaller tomatoes.

Tom tomato is the largest tomato in the garden. As such, he thinks he's better than the other tomatoes and deliberately bullies the smaller ones. He is rude and ill-mannered, and goes out of his way to make sure the smaller tomatoes don't grow.

But one day Tom learns a valuable lesson about bullying, and when he's given a second chance he realizes that it's far better to be kind, work together, and use proper manners, all of which make the garden a much happier place.
