## Life Changer: Insightful Novel Dissects the Lives of 10 Strangers

Sometimes something happens out of the blue that is a total life changer. In the intriguing new novel *The Journey*, 10 people from different walks of life are united by a single event, causing each to think about his own life's journey and what could have been done differently.

Set in Brussels, Belgium, this thought-provoking encounter between strangers will have far-reaching effects. The characters include a Turkish snack bar owner looking for a purpose in life; a poor pensioner; a European Commission trainee; a factory employee having health problems; a Polish cleaning lady; a Thai cook; a woman trying to balance work and family; a juvenile wanting to turn away from crime; a retired security guard; and a rollerblade enthusiast who has suffered a tragedy.

Faced with maintaining the status quo or recounting their innermost thoughts for total strangers to scrutinize, what will these people decide to do? What would you do?
