

FOR IMMEDIATE RELEASE

'Just Add Music' Is for Musicians, Young or Old!

You or your clients may be some of the most gifted musicians in the world. Melodies may be just your thing! But what about those all-important lyrics, the memorable words that listeners sing along to?

The Hooks – The Verses – The Rhymes! They're all here. In his new book *Just Add Music*, or *JAM*, David J McMullen has written the lyrics to fit most popular genres of music, including rock, pop, blues, country, Caribbean, and adult contemporary.

We all know that a song is a three- to five-minute story set to music. And while the music is vital in conveying what the song sounds like and captures the listener's attention, it is the lyrics and the vocalist's interpretation that tell the story.

JAM contains 55 sets (*Top 50 plus 5*) of song lyrics written for composers, producers, and musicians to add the music and complete their song.

***JUST ADD MUSIC: TOP 50 PLUS 5* (ISBN: 978-1-62516-670-8) is now available for \$10.95 and can be ordered through the publisher's website:**
