

FOR IMMEDIATE RELEASE

***'Is There Still a Place for God' ...
in Your Heart and Your Life?***

Author Kenneth Bragan wrote this book with the concern that we may be losing religious sensibility and not recognising the cultural losses that may result.

To make his point, he uses a psychological interpretation of the Old Testament story as told by Pulitzer Prize-winning author Jack Miles in his book *God: A Biography*. This book describes how Judaism fostered the inner strength of the chosen people. A quantum view of the universe and an understanding of the power of projection are then used to make the case that there is still a place for God.

A psychological understanding of the respective roles of belief and faith in religious practice is offered as a help to answering for ourselves the question: *Is There Still a Place for God?*

***IS THERE STILL A PLACE FOR GOD?* (ISBN: 978-1-62516-712-5) is now available for \$14.95 and can be ordered through the publisher's website:**

Wholesale purchase for retailers, universities, libraries, and other organizations is also available through the publisher; please email bookorder@aeg-online-store.com

About the Author: Kenneth Bragan is a retired psychiatrist who developed an interest in the healing power of writing. "I grew up during depression times in a small coal mining town in the north of England, near Newcastle, emigrated to New Zealand in 1965, and now live in retirement in one of the loveliest places of the world, the Central Lakes District of the south island of New Zealand." This is his fifth book.
