What Farm Animal Is Making That Noise? ‘*Is It You?*’

Fun New Children’s Book Takes You Out to the Farm

If you could talk to the animals ... what would you say? *Is It You?* is a delightful new children’s book written and illustrated by Lynne Pickering.

Visit a farm in this wonderfully illustrated story and meet all the animals there! When Jane hears a strange noise, she wants to know which animal is responsible, and asks *Is It you?* To learn “who done it,” she studies the different sounds that the animals make.

The author owned a childcare center and often wrote stories for the children. Farm stories were always popular. “When I obtained the little sheep toys and the calico cows and the calico pigs, I thought they would be gorgeous in a book. So I painted backgrounds of countryside and obtained porcelain dolls, creating farm scenes for the characters.”
