**A Bear and a Bird Teach the Lesson of Goodness Over Greed**

***New Children's Book Is  
Part of Continuing Series***

This heart-warming children's story teaches the difference between greed and unselfishness, and is another in the *James and the Naughty Seagull* series.

Being greedy will not win you friends! In *James and the Greedy, Naughty Seagull*, James is a young bear who saves a seagull who then comes to live with him. But the naughty seagull has some behavioral problems. When they go fishing together, James is disappointed by the gull's greed, when she eats nearly all his catch.

James replaces the fish for his family's dinner by spending his own pocket

money. As the seagull is disciplined for her bad manners, Mama Bear rewards James for his generosity and unselfishness. And he wasn't even fishing for compliments!
