### **All's Fair in Love and Napoleonic War**

Turn back the clock to the time of Napoleon, as love, lust and danger take center stage in the stunning novel *The Tide of Destiny*. The story is set in 1799 through 1808 in Southern Switzerland and on the Ligurian coast of Italy.

Damien André Berra, son of a Swiss farmer, is exiled to northern Italy in the wake of Napoleon's invasion in 1799. Inspired by a number of amorous adventures with five lovely women, Damien becomes a renowned linguist and short story writer. His writing is greatly influenced by his lovers, who make his exile more palatable.

This young man's experiences during this turning point in history – on *The Tide of Destiny* – are set amidst the political events and the women he meets.
