### **About the Author:**

Old Nana grew up in a household filled with love and the laughter of children, and, she says, it is from children that she receives the inspiration for her writing. “Their creativity and curiosity expand my creativity and curiosity.” Why is she called “Old Nana”? Because she is one who has lived long enough to confirm the existence of the ordinary and the extraordinary magic of life. Old Nana lives in the Midwest on a lake with the sun and storms, clouds and sunsets, where she shapes wonderful stories for children. Her next tale is about a curly-haired girl who can talk to butterflies.
