

FOR IMMEDIATE RELEASE

With a Name Like Robert Frost, You Knew He Had to Write Poetry!

Roses are red, violets are blue, if you thought you knew poetry, read *Romance in Bloom*. This poetry book shows that it's never inappropriate to tell that special someone in your life just how much they mean to you.

Robert Temple Frost has used the ability that everyone has to write poetry – but is usually afraid to show – and has honed it into a tender tribute to his wife. “My wife and I have an amazing romance that continues to this day. I reviewed the love poems I had written to her from the beginning of our romance and realized they make a story in poems that I thought others would enjoy.”

Let his little book of poetry inspire you to express your own tender thoughts in verse. You'll be amazed at the reaction. Words of advice from modern day poet Robert Frost: “Be bold, be brave, be loving.”
