#### Montgomery Lake High #1

The Right Person

Stacy A. Padula

The high school years can be some of the most emotionally grueling years of one's life. Teens daily enter into the war between being true to themselves and fitting in with their peers.

One such troubled teen is Chris Dunkin, who's been a substance abuser since age 12. Now 15, he's drinking alcohol more often, and using heavy drugs to keep himself high. His grades, family relations, and dream of becoming a pro football player are slipping through his fingers. Starved for strength and willpower, Chris knows he is in over his head. One evening, a ray of hope shines into his dark world in an unexpected form – a beautiful girl name Courtney Angeletti. Fed with the food of encouragement, Chris sets out on a quest to find the true meaning of freedom.

This story of teenage acceptance and the battle over moral convictions will hit home with many teens looking for answers.
