### **Mystical Prophecy Figures in 2nd Book of Fantasy Adventure Series**

Ebon is a highly trained student at a military academy and is confident as only the young and inexperienced can be. Then the fates of war intervene to challenge him as a warrior and a man.

Ebon envisioned being a great warrior like his father, Luc Shattar, the hero of the Battle of Halgrain and the greatest swordsman in the history of Trist. An old enemy has been threatening to take up arms, so Trist's forces gather to defend their homeland. Ebon and his three closest friends are excited about the coming war and feel ready to fulfill their imagined destinies. They cannot know how their lives will be affected by unforeseen events and the roles they will play as *Heirs of Discord*, discord created by a raging war that was started long before they were born.

*Black Omens: Book 2 of 'Heirs of Discord'* follows events of the first book *A Blade of Dark Ebony*. The next book in the series is *White Locks*. In this exciting story, Ebon also faces shocking secrets of his hidden heritage, the greatest being the mystical prophecy

known as *Black Omens*. Is this young man up to the challenge?
