FISHING IN FOREIGN SEAS

He's Got Everything He Wanted...But He Could Have Even More. Do the Consequences Outweigh the Benefits?

When a corporate executive is tempted by a woman other than his wife and an unethical colleague, will he make the right choices or fall prey to temptation?

It's love at first sight when U.S. Naval Officer Jamie Morrison meets Caterina Lo Gado, the beautiful daughter of an aristocratic wine-making family, at an opera in Sicily.

Their passionate love unfolds amidst the Sicilian backdrop. Marrying after a tantalizing year, they move to Boston, Philadelphia and then Atlanta, where Jamie's multi-million dollar sales career reaches a crisis. Jamie is bright, ambitious, likeable...and perhaps a bit naive.

While pursuing a huge contract, he's sorely tempted by his voluptuous, young personal assistant, and he encounters an autocratic and unethical customer chief executive. These two individuals threaten to wreck his marriage and his career. Will Jamie have the strength to avoid these temptations or is he already in too deep? Which path will he choose?
